

3rd ANL/MSU/INT/JINA RIA Theory Meeting

April 4 - 7, 2006

Physics Division, Building 203

Argonne National Laboratory, Argonne, Illinois

Argonne National Laboratory is about 45 minutes by car from each of the two major Chicago airports, [O'Hare](#) and [Midway](#) ([see map](#)). The map also shows the major roadways serving the Chicago area. Argonne is not near public transportation; therefore, **it is strongly recommended that attendees rent a car** while they're at the workshop. Some of the car rental agencies serving both O'Hare (airport code: ORD) and Midway (airport code: MDW) airports are listed below.

Driving from O'Hare Airport to Argonne:

Drive east (toward Chicago) on Interstate 190 to the exit for Interstate 294 south (toward Indiana). Go south on Interstate 294 to the exit for Interstate 55 south (toward St. Louis); then take the southbound Cass Avenue exit (273A) off Interstate 55. Northgate Road, the entrance to the Laboratory's main gate, is on the right.

Driving from Midway Airport to Argonne:

Take Cicero Avenue north to the entrance to Interstate 55 south (toward St. Louis), which will be on your left. Take the southbound Cass Avenue exit (273A) off Interstate 55. Northgate Road, the entrance to the Laboratory's main gate, is on the right.

Please enter Argonne at the Northgate entrance on Cass Avenue. If you do not have a U.S. Department of Energy badge, you need to go to the Argonne Information Center, identify yourself as an attendee at the RIA Theory Workshop, and pick up your Gate Pass. You must prominently display your Pass while on site. After normal business hours and on weekends, your name will be at the Guard Post. A photo I.D., such as driver's license or passport, is required for site access. All vehicles entering the site are subject to search.

Limousine:

For those preferring not to drive themselves, a limousine can be arranged. Please contact Debbie Morrison (morrison@anl.gov, Tel: 630-252-4100, Fax: 630-252-3903) to pursue this option. **NB.** The limousine must be cleared for access to the Argonne site.

REMEMBER: You must have registered in order to enter the site. So you must have completed one of the forms available at

<http://www.phy.anl.gov/theory/index.html#ria3>

and returned it to Debbie Morrison.
